

Adele Jones

My name is Adele Jones and I am a Visiting Teacher in the Indian River School District.

Prior to this year, I was a math teacher for 26 years. I have been a member of the Association since I started teaching. I am currently an Association Representative and Membership Chair of my local, Indian River Education Association. In 1995-96, I was a member of the DSEA Executive Board. At the conclusion of that term, I decided not to run for a board position due to health concerns. I would like the opportunity to again have a voice for Sussex County on the Executive Board. As a state, we are facing many tough issues and programs - budget cuts, Vision 2015, RtI, Race to the Top, etc. I believe that I can have an impact on the future of public education in Delaware. Thank you for your support!
