As one of Sussex County's current representatives to your DSEA

Executive Board, I

will continue to represent each of you in a professional and respectful manner. My votes on association business have always kept members' interest in mind.

Over the past 3 1/2 years, I have attended every NEA National RA, Mid-Atlantic NEA Regional Conferences, DSEA RA's and other leadership and professional development workshops. My basic belief is that every child deserves a quality public education. Again, I seek your support in order that I may continue representing your interest, as I remain committed to keeping you informed of DSEA information, issues and concerns.
