

Patti Reid

I am a Proud Professional Partner in Education. I am the President of Capital Paras in the Capital

Reid

School District. I have served on the DSEA Executive Board for a few years now and I would like to continue doing so. I am a strong representative on the Executive Board for issues concerning ESP's in the State. I know what matters most to ESP's and what we need and want in our State. I am a strong voice and I am not afraid to fight for our beliefs. I enjoy representing ESP's and hope to continue doing so. I would appreciate your vote to continue on the DSEA Executive Board for Kent County.

Thank you for your support!
