

Patti Reid

I am running as a State Delegate to the NEA Representative Assembly. I am a Paraeducator in

Reid

Capital School District. I have attended the NEA/RA in the past and would like the opportunity to do so again. I am a strong representative for ESP's in our state. I have a strong voice and I am not afraid to fight for our beliefs. I would work hard on the issues facing Delaware ESP workers on a national level. I appreciate your vote as a State delegate to the NEA/RA. Thank you for your support.
