Dear Colleague:

The united education unions of the Colonial School District are proud to announce a unanimous decision by the candidate screening committee to recommend Melodie Spotts for Colonial School District Board of Education.

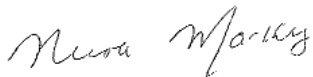

Melodie is a concerned parent in the district. She comes from a family of educators and is an administrative assistant at Wilmington University, Graduate College of Education. She was quick to seek the advice of Colonial educators before taking on this campaign, and plans to continue the collaborative relationship as a board member.

Melodie Spotts is a reform candidate who has been appalled at the isolation of the Board from their educators, the parents, and the community. Additionally, she recognizes that the role of the Board is governance of the district, not a rubber stamp for administration.

With your help we will send someone with optimism, energy, and a positive attitude towards educators to the Colonial Board of Education. Change is coming to Colonial and Melodie Spotts wants to lead it through the door.

On Tuesday, May 11th please vote Melodie Spotts for Colonial Board of Education.

Sincerely,

Nicole Markey
