

Congratulations on your retirement! You are now eligible for DSEA Retired membership! DSEA Retired is member-driven and represents more than 1200 retired public school employees. DSEA Retired is the only Delaware retired state employee organization affiliated with DSEA and NEA.

Protecting and maintaining the benefits of our retired workforce is our foremost priority and the DSEA Retired and DSEA leadership are dedicated to this mission. Our strength and effectiveness come from both your financial and personal involvement in both DSEA Retired and NEA Retired.

As a DSEA Retired member, the NEA and DSEA member benefit opportunities for insurance, discounts, travel opportunities and other services that you enjoyed as an active DSEA member continue to be available as long as you maintain membership in the DSEA Retired program. More importantly, even in retirement, you have the professional support of DSEA staff who will advocate for pension, health insurance, and legislative issues that affect retired employees.

The membership year runs from September 1 to August 31. Whether you choose to join as an annual payer and have dues deductions taken from your pension or make a one-time payment for Retired Lifetime Membership, we recommend you pay your dues **no later than August 31, (current year)**. Please see the attached dues sheet with the amounts and options.

If you have further questions, please contact Program Assistant, Julie MacNeill. Julie may be reached by mail at the DSEA office located at 136 E. Water St., Dover, DE 19901; by phone at 302-734-5834 x 251 or by email at Julie.MacNeill@dsea.org.

In these everchanging times, we can assure you that membership in DSEA Retired is an important investment. As we prepare for the upcoming year, we look forward to counting you among our members and extend our best wishes to you in retirement!

Sincerely,
