

Congratulations on your upcoming retirement!

As a retired Delaware education employee, you are eligible to join DSEA Retired and enjoy many of the same benefits you enjoyed as an active member. We have cancelled your active membership as of [DATE] due to your retirement.

As a prospective DSEA Retired member, your support is invaluable to the success of our organization. DSEA Retired is member-driven representing more than 1200 retired public school employees. We are counting on you to be among them and to encourage other retirees to enroll as well.

Protecting and maintaining the benefits of our retired educators is our foremost priority. The DSEA Retired and DSEA leadership are dedicated to this mission. Our strength and effectiveness come from both your financial and personal involvement in DSEA Retired, DSEA and NEA Retired.

As a DSEA Retired member, the NEA and DSEA member benefit opportunities for insurance, discounts, and other services that you enjoyed as an active DSEA member continue to be available. More importantly, even in retirement, you have the professional support of DSEA staff who will advocate for pension, health insurance, and legislative issues that affect retired educators.

Please be aware that if you have any type of insurance through NEA (particularly Life Insurance), you MUST maintain membership to continue your benefits. Additionally, DSEA Retired is the only Delaware retired public school employee organization affiliated with DSEA and NEA.

When you join, you will be able to choose from two membership types. Retired Lifetime: a one-time membership dues payment or Retired Annual: a yearly membership dues billed each July.

Membership dues can be paid by cash/check or pension deduction. Please note, if you choose the Retired Lifetime membership type and the pension deduction payment option, the full dues must be paid in the first year of membership. Annual membership will be prorated for the first year based on the join date.

Membership Year 23-24 Dues Rates:

Professional Retired Dues

Lifetime Dues \$600

Annual Dues \$70

Education Support Professional Retired Dues:

Lifetime Dues \$360

Annual Dues \$42

We look forward to counting you among our members and extend our best wishes to you in retirement!

For questions or assistance filling out the form, please contact us at membershipsupport@dsea.org or [call us at \(302\) 734-5834](tel:3027345834).
