

# Volunteer to support our legislative agenda

We're putting together a list of members who are willing to be called to volunteer at some point in time for various political action activities. These would include interviewing candidates for school board elections; helping with the passage of local referenda; interviewing candidates for statewide or legislative office; working for candidates that we recommend; and specifically the tasks indicated below. For more information, please contact Kristin Dwyer, Director of Legislation and Political Organizing, at (866)734-5834 or by email at [Kristin.Dwyer@dsea.org](mailto:Kristin.Dwyer@dsea.org).

Sign me up! I'm willing to volunteer \_\_\_\_\_ of my time.

(Example: 3 hours; 2 weekends; 1 day)

I'd be interested in:

- Voices & Faces of DSEA: Pair with an elected official
- Make Phone Calls
- Door-to-Door
- Social Media Action Team
- Write a Letter to the Editor
- Polling Place Greeter
- Walk in a Parade
- Serve on a Candidate Interview Committee

Volunteer for five hours or more and receive DSEA-logo apparel to proudly display your professional membership in our organization!

Can we count on you for a few hours? Let us know.

## Thank You!
