Welcome/Introductions
The Chair asked for a motion to begin the meeting. A motion was made by Rep. Kimberly Williams which was seconded by Rep. Mike Smith. All members were in favor and the meeting began at 4:31 p.m.

Chair Mark Holodick welcomed everyone and Dr. Sarah Barzee conducted a roll call. A quorum was present. The Chair invited Eric Anderson, a new member replacing Franklin Newton, to introduce himself. Secretary Holodick then shared updates and remarks.

Approval of January 23, 2023, Meeting Minutes
Rep. Smith motioned to approve the January 23, 2023, meeting minutes and Sen. Brian Pettyjohn seconded the motion. All members were in favor and the motion carried. The meeting minutes were approved.

Chair Holodick then introduced Dr. Sarah Barzee to facilitate the remainder of the meeting. She previewed the agenda for the meeting.

In Old Business, Dr. Sarah Barzee welcomed Joanna Adams, State Pension Administrator. Ms. Adams provided information about the state’s pension system and shared examples of pension calculations for public education employees. Ms. Adams then answered questions
from PECC members regarding pension penalties, required years of service and age to receive a full-service pension versus a reduced service pension, survivor pension benefits, average number of years retirees collect a pension prior to death, median amount of payout for educators, the State Pension Office improved calculator online tool, healthcare coverage, average age of retirement, average number of teachers who retire each year and comparison of retirement benefits to other professionals.

Dr. Barzee then introduced Faith Rentz, Director, Statewide Benefits and Insurance Coverage, who gave an introductory overview of the Statewide Benefits and Insurance Coverage Office. There were questions regarding the types of health and other benefit plans offered to educators, the cost to employees for coverage and a request for data that compares the Delaware benefits system to the benefits provided in other states in the region.

Following Ms. Rentz, Dr. Sarah Barzee introduced Dr. Sara Croce, Chief Financial Officer, Milford School District and Chuck Longfellow Chief Financial Officer, Christina School District, who summarized information presented in the January meeting regarding the 1305 Salary Cost Options and presented a proposed recommendation to provide a 2% increase and a flat dollar increase to the base salary for the 1305 salary schedule, leading to a $60,000 starting salary for all teachers. PECC members posed several questions and concerns including those related to the state and local shares, the assumed 2% local share, the timeframe to reach the $60,000 base salary, the costs to the state to achieve the proposed salary increase, the timeframe of Maryland’s salary increase for teachers, and the need to specify a timeframe to the proposed recommendation in order to support it. There was a request for an analysis regarding how teacher salaries at charter schools would be impacted. Based on the questions and concerns raised, the Chair recommended that additional information about the state and local shares be provided at the March meeting to inform the discussion and that the discussion continue to ensure questions and concerns have been addressed before a decision is made regarding the 1305 salary policy. Chair Holodick thanked members for their engagement and requested that the internal working group reconvene to bring a refined recommendation to the next meeting. Dr. Barzee summarized next steps including receiving the internal working group and she announced the date for the March meeting.

Public Comment
One attendee, Casey Montigney, signed up in advance to provide public comment. She emphasized that affordability, benefits and pension are major concerns for veteran teachers in the public education system and should stay top of mind as PECC considers increases in salaries.

Adjournment
Dr. Barzee asked for a motion to adjourn. Director Cade motioned to adjourn and Rep. Williams seconded the motion. All members were in favor and the motion was carried. The meeting adjourned at 6:13 p.m.

Respectfully Submitted,
Nancy Tiên for WestEd

Summary of 1305 Salary Cost Options

- Last meeting we highlighted 5 options. Those options are driven by 3 basic models: percent increase, percent increase AND flat dollar increase to base, and percent increase AND flat dollar increase within each step/lane.
- All options:
  - Increase the State’s contribution to base pay for employees on the Section 1305 salary schedule, with the goal of obtaining a total $60,000 starting salary.
  - Assume a 2% annual increase on the local share.
  - Provide the example salary impact on starting teachers in Delmar (currently the lowest paying district)

Summary of 1305 Salary Cost Options

**Model 1:** percent increase only to the base salary

**Model 2:** 2 percent increase AND a flat amount increase to the base salary

**Model 3:** 2 percent increase to the base salary AND a flat dollar increase to each lane/step
Proposed Recommendation

Model 2

Provide a 2 percent increase and a flat dollar increase to the base salary for the 1305 salary schedule, leading to a $60,000 starting salary.
